

Willow Is A Player

Will Smith

Willow is a player
She's got me goin' crazy
She's got me wrapped around her finger
She's got me goin' out of my mind, playin' all the time Willow is a player
She's got me goin' crazy
She's got me wrapped around her finger
She's got me goin' out of my mind, playin' all the time Every time I see her can't help but to smile
And every time I touch her she make me feel like a child
She got me locked up, got me locked locked up
I do just about anything to stay on her good side
And when she want something from me she won't be denied Can't even go shopping without buying her a gift
Every eye tied to her as she steps out the crib
She keeps me up all night on my knees as I pray
'Cause I can't sleep till I know she's okay
She got me locked up she got me locked locked up Willow is a player
She's got me goin' crazy
She's got me wrapped around her finger
She's got me goin' out of my mind, playin' all the time Willow is a player
She's got me goin' crazy
She's got me wrapped around her finger
She's got me goin' out of my mind, playin' all the time I saw another man hold her just a friendly hello
I know it was nothing but he took to long
To let go I think you better let her go ow
Let my girl girl go I try to be tough though
Sometimes she makes me so mad
Her eyes like diamonds make me forget she's so bad She's my angel sent from the upstairs
Taught me that new kind of love
I can't tell y'all what she means in my life
What make it so crazy, I met her through my wife
She got me locked up got me locked locked up Willow is a player
She's got me goin' crazy
She's got me wrapped around her finger
She's got me goin' out of my mind, playin' all the time Willow is a player
She's got me goin' crazy
She's got me wrapped around her finger
She's got me goin' out of my mind, playin' all the time
