

# Never Enough for Me

Jory Nash

Ah the boat donâ€™t go  
around the sound  
So we turned for home  
and ran aground  
Well youâ€™d think I know  
But again, I have found  
That itâ€™s never enough for me

And the timingâ€™s wrong  
And the clock runs out  
And the end is all  
You think about

When less is more  
Than a shadow of doubt  
When itâ€™s never enough for me

But oh Iâ€™m in trouble this time  
â€™Cause I got mountains to climb

And I got my heart  
In a big old bind  
â€™Cause itâ€™s never enough for me

Well Iâ€™ve come down here  
With my hat in hand  
With all own  
And with all Iâ€™d planned  
But Iâ€™d trade in hope  
So you can understand  
Why itâ€™s never enough  
Itâ€™s never enough  
Itâ€™s never enough  
For me
