

Lone Star Lonesome

David Frizzell

I can't sleep what's wrong with me
 Been this way almost a week
 When caring friends ask me why
A silent tear comes to my eyesI'm lone star lonely lone star sad
 Never knew that state of mine could make me feel so bad
I must have stayed to long in Tennessee I can feel it coming on me
I see a million stars tonight but I'm lone star lonelyI miss my home old San Antone
 Bluebonnet Springs the cowboys home
 My heart is turned southwesterly
Where a brown eyed girl waits for meSo I'm lone star lonely lone star sad
 Never knew that state of mine could make me feel so bad
I must have stayed to long in Tennessee I can feel it coming on me
 I see a million stars tonight but I'm lone star lonely
 Oh I see a million stars tonight but I'm lone star lonely
