

Masterhit (Part I & II)

Front 242

You know me and I sure you
Everyone You seem so, tender Give me some more of the warm little beasts
I'm so fond of Master, I'm so glad to feel your presence
But you don't seem to share my impatience
I relied upon you to break the silence
I cannot understand your reluctance Master, I feel so warm and I'm so happy, oh master Give me some more of
the warm little beasts
I'm so fond of You seem so
I could melt the frozen wall you raised between us
and now I'm on the other side, you seem rather surprised Constricting viscous rings around your warm body
Holding you tied, holding you tied... and I feel so happy You seem so tender
As the warm little beasts
I'm so fond of
