

# Let The Music Play (Funkstar De Luxe Remix)

Barry White

One ticket, please  
Lord have mercy, everybody's there  
Hey, what's goin' on man, yeah  
She's at home, yeah, she's at home  
Yeah, she's at home Let the music play  
I just want to dance the night away  
Here, right here, right here is where I'm gonna stay  
All night long, ooh, ooh, ooh, ooh, ooh, wee Let the music play on  
Just until I feel this misery is gone  
Movin', kickin', groovin', keep the music strong  
On and on and on and on and on and on and on  
And on and on and on and on and on and on and on I'm out here dancin' and still, huh  
I can't erase the things I feel  
The tender love we used to share  
See, it's like it's no longer there  
I've got to hide what's killin' me inside Let the music play  
I just want to dance the night away  
Here, right here, right here is where I'm gonna stay  
All night long, ooh, ooh, ooh, ooh Let the music play on  
Just until I feel this misery is go
