

Red Hot Lovin'

Ozone Mama

Come on! Come on now! Hot damn! Have mercy baby
Shake it up and drive me crazy
Ya got me swayin, my knees start shakin'
You know you're doin' it so fine
Heartbreaker lady from a small town world
Burn it all up wherever she goes
The walls start shakin', the earth is quakin'
You know it's makin me so fine..I need someone to say: yeah yeah yeah
â€žI'm feelin' alright"
I need someone to say: yeah yeah yeah
To keep me up all nightTen seconds I'm on my way
My heart becomes a ball of a burnin' flame
You've got hot lips and fingertips
Hey little sister you're so fineGimme, gimme gimme your red hot lovin'
Ain't no one's gonna take it away
I rip it up, kick it up I'm addicted to your flame
Out of my head but it's alrightI need someone to say: yeah yeah yeah
â€žI'm feelin' alright"
I need someone to say: yeah yeah yeah
To keep me up all night
I need someone to say: yeah yeah yeah
Heat me up all night
I need someone to say: yeah yeah yeahThorn like an old dollar bill, yeah
I'm off the hook and it's so unreal
All I have left is a song to sing, yeah
A staggered heart and a shattered dreamGive me your lovin' girl
Red hot lovin' girl
I need good lovin'
You got me beggin'
Gimme gimme that good old lovin'[Chorus]You lead me on then you turn me down you put my soul on fire
babe
You ain't got nothin' better to do to make it slow and ride onI need someone to say: yeah yeah yeah
â€žI'm feelin allright"
I need someone to say: yeah yeah yeah
To keep me up all night
I need someone to say: yeah yeah yeah
Heat me up all night
I need someone to say: yeah yeah yeahYeah, all right!
Somebody... I need somebody

Yeah, yeah, yeah!

Alright!
