

Medicine (Notes From The Underground)

Hollywood Undead

Oh no, how'd I sink so low?
Ain't got the patience, I need my medication
I need to crawl out, out of this hole now
Before the darkness grabs a hold and takes my soul now And it just goes on and on and on
On and on and on Yeah call the doc, I must be sick
Better get me my medicine
Now it's five o'clock, on the phone again
Think I might need another prescription
Call the doc, I must be sick
Better get me my medicine
Now it's five o'clock, on the phone again
I think I might need another prescription Oh Holy Ghost, is this a vision?
I've got 1, 2, 3 admissions
I'm getting sick cause superstition
I need a dose, man fuck the fixing
Mama what'd you feed the children?
Pills in milk and nothing to mix em in
Who needs the milk man
I got the Trix and
Another refill ain't gonna fix em And it just goes on and on and on
On and on and on Another refill ain't gonna fix em Call the doc, I must be sick
Better get me my medicine
Now it's five o'clock, on the phone again
Think I might need another prescription
Call the doc, I must be sick
Better get me my medicine
Now it's five o'clock, on the phone again
I think I might need another prescription Oh no, no, I can't fight it
Even when I hate it, I still wanna like it
Oh no, no, I can't hide it
I ain't got a dollar but I still try to buy it
Oh no, no, I can't fight it
Even when I hate it, I still wanna like it
Oh no, no, I can't hide it
I know you don't know me but I know you supply it Call the doc, I must be sick
Bitch get me my medicine
Now it's five o'clock, on the phone again
Think I might need another prescription
Call the doc, I must be sick

Voices in my head again
Now it's five o'clock, on the phone again
Call the doc, I must be sick
Better get me my medicine
Now it's five o'clock, on the phone again
Think I might need another prescription
Call the doc, I must be sick
Better get me my medicine
Now it's five o'clock, on the phone again
I think I might need another prescription
So call the doc, I must be sick
I'm so sick
I think I might need another prescription
Yeah call the doc, I must be sick
I'm so sick
I think I might need another prescription
