Breathe

Iyaz

Yea Ah. Yaga Ohhhhhh
J. Yaw
It Started, we was at the mall,
Its the first place we ever met
Off in a daze, I was thinking of ways
to tell my love that this is the end
And as we sit and sip on Pina Colada's,
the thoughts wouldnt leave me alone
I know exactly what I gotta do,
but Imma let her know when we get home.
My love, don't wanna see you cry no,
and i dont never wanna leave you
This situation got me so lost for words but
Imma try to tell you how I feel
[Chorus]How am
I to tell the love of my life,
Im in love with my best friend? [love with my best friend]
I play it over and over up in my head and I know
How its gonna end [know how its gonna end]
How am I to tell the love of my life,
Im in love with my best friend? [love with my best friend]

And i'm tryin' hard to find the words, but none to make sense
Imma just breathe and let it out, breathe and let it out, breathe and let it out x2
Oh baby, lemme holla at you
cuz I really think that we need to talk,
And by the way the that you looked in my eyes,
I could tell you knew something was wrong.
And as i watched as you try to play tough
with the tears fillin' up in your eyes
You put your hands around my
and hold me tighter and said baby
tell me whats on your mind
My love, you know from the ghetto,
I've always got to keep it real
This situation got me so lost for words,
But imma try to tell you how I feel.
[Chorus]Oh why, Oh why Oh why
Im in love with my best friend,

Im in love with my best Friend.!
Imma just breathe and let it out, breathe and let it out, breathe and let it out x2
