Whatever You Want

Tony Toni TonÃ©

I don't wish you no bad luck baby
I don't wish you no strain
I only want to expose your life to the finer things
I offer you my company girl
You don't need no sympathy just some one who caresWhatever you want Girl you know I can provide
Whatever you need whatever you need me
Call six three two twenty-one three fiveNow maybe I should drive right over show you my new ride
Or take you shopping out on the town
And then make you feel your best
I'll go out of my way to make sure you have everything
I want to be the one who will always be there to give youWhatever you want Girl you know I can provide
Whatever you need whatever you need me
Call six three two twenty-one three five
Whatever you want Girl you know I can provide
Whatever you need me
Call six three two twenty-one three fiveWhat makes you think I would try To run a game on you
Just as sure as my name is D'wayne I'll be there for you and I'll...
Treat you just like a queen and give you fine things
And you'll never have to worry about another in your place
Believe me when I sayWhatever you want Girl Girl you know I can provide
Whatever you need whatever you need baby
Call six three two twenty-one three five
Whatever you want Girl you know I can provide
Whatever you need whatever you need baby
Call six three two twenty-one three fiveNow you know I've never been the type to have A loss for words
So I tell you these feelings I have for you
They're all so true girl
I heard someone say that love can be so blind
I'll give you your space to go and you know
I'll always be thereWhat makes you think I would try To run a game on you
Just as sure as my name is D'wayne I'll be there for you and I will...
Treat you just like a queen and give you fine things
And you'll never have to worry about another in your place
Believe me when I sayWhatever you want Girl you know I can provide
Whatever you need whatever you need me
Call six three two twenty-one three five
Whatever you want Girl Girl you know I can provide
Whatever you need whatever you need me
Call six three two twenty-one three fiveGirl, I will be right there for you

Whatever you want Girl you know I can provide
Whatever you need whatever you need me
Whenever you need me just call
Call six three two twenty-one three five
Whatever you want
Whatever you want Girl Girl you know I can provide
Whatever you need whatever you need me
Call six three two twenty-one three five
La La La La Da Da Da La La La La Da Da Da
Whatever you want Girl you know I can provide
