

I Just Don't Know What to Do With Myself

The White Stripes

I just don't know what to do with myself
I don't know what to do with myself
Planning everything for two, doing everything with you
And now that we're through, I just don't know what to do I just don't know what to do with myself
I don't know what to do with myself
Movies only make me sad, parties make me feel as bad
'Cause I'm not with you I just don't know what to do Like a summer rose
Needs the sun and rain
I need your sweet love
To beat love away Well I don't know what to do with myself
Just don't know what to do with myself
Planning everything for two, doing everything with you
And now that we're through I just don't know what to do Like a summer rose
Needs the sun and rain
I need your sweet love
To beat love away I just don't know what to do with myself
Just don't know what to do with myself
Just don't know what to do with myself
I don't know what to do with myself
