

The World Is Mine (Deep Dish Remix)

David Guetta

I believe in the wonder
I believe this new life to gain
Like a God that I'm under
There's a drugs running through my veins I believe in the wonder
I believe I can touch the flame
There's a spell that I'm under
Got to fly, I don't feel no shame The world is mine
The world is mine
The world is mine I've lost my fear to what appears
I do my best
(The world is mine)
You take the price and realize
That's in your eyes
(The world is mine) Take a look what you've started
In the world flashing from your eyes
And you know that you've got it
From the thunder you feel inside I believe in the feeling
All the pain that you left to die
Believe in believing
In the life that you give to try The world is mine
The world is mine
The world is mine I've lost my fear to what appears
I do my best
(The world is mine)
You seem surprised and realize
That's in your eyes
(The world is mine) (The world is mine)
I've lost my fear to what appears
I do my best
(The world is mine)
You seem surprised and realize
That's in your eyes
(The world is mine) I've lost my fear to what appears
I do my best
(The world is mine)
You take the price and realize
That to your eyes
(The world is mine)
