Everything goes, everything goes on your wallJustine, you make me so bad,
cause you are the bestAll over the world,
all over the world in your own bag
Justine makes me proud,
oh, you knowAnd you tell me what,
you tell me what,
you tell me what,
you tell me what you want
Take me away, take me away by your side
Justine, let me fight
you're my desireAll over the world,
all over the world on your own hands
Justine makes me proud,
oh, you knowAnd you tell me what,
you tell me what,
you tell me what,
you tell me what you want
Everytime i see
you make me feel so deep
but i should have known,
that was a little trick
