

Wonderful (Dexcell Remix)

Angel

Everywhere we go we feel like we're strangers,
On the other hand it makes us feel major;
If they never knew then maybe they'll name ya,
Don't let 'em change ya. When you finally find what's beautiful (what's beautiful),
It's so wonderful (so wonderful).
When you finally find what's beautiful (what's beautiful),
It's so wonderful (so wonderful) It's so wonderful Exhale, breathe in,
Let yourself go for the evenin';
Break out, screamin',
You can lose your voice if you mean it.
Can't control the feelin'
And I can't let go, I need it. Everywhere we go we feel like we're strangers,
On the other hand it makes us feel major;
If they never knew then maybe they'll name ya,
Don't let 'em change ya. When you finally find what's beautiful (what's beautiful),
It's so wonderful, If you're looking for the stars, keep looking at me hard,
If you're looking for the stars, keep looking at me ? hard When you finally find what's beautiful,
It's so wonderful.
When you finally find what's beautiful,
It's so wonderful, Inhale, steamin',
We can blow it up for the weekend.
Shallow world, meet him,
Come and swim with us in the deep end.
Can't control the feelin',
And I can't let go, I need it. Everywhere we go we feel like we're strangers,
On the other hand it makes us feel major;
If they never knew then maybe they'll name ya,
Don't let 'em change ya. When you finally find what's beautiful (what's beautiful),
It's so wonderful, If you're looking for the stars, keep looking at me hard.
If you're looking for the stars, keep looking at me ? hard. When you finally find what's beautiful,
It's so wonderful.
When you finally find what's beautiful,
It's so wonderful,
It's so wonderful,
It's so wonderful Everywhere we go we feel like we're strangers,
On the other hand it makes us feel major;
If they never knew then maybe they'll name ya,
Don't let 'em change ya. When you finally find what's beautiful (c-c-c-c-can't control)
It's so wonderful (the feeling)

When you finally find what's beautiful (c-c-c-c-can't let go)
(I need it) It's so wonderful,
