Advisory - the following lyrics contain explicit language:

I'm rolling the dice, got the wind in my hair
I'm gonna kill my boyfriend, yeah
Cause he's only nice, when there's somebody there
I'm gonna kill my boyfriendIt's been a minute love
Wish we'd never broke it off, oh oh oh
I hated that we separated, can't forget you noBut now I got an another, got a ring,
I got a lover, I'm about to have a mother in law
And things are kinda perfect, but I know you're fucking worth it
There's only one thing I can do to break it off, come onI'm rolling the dice, got the wind in my hair
I'm gonna kill my boyfriend, yeah
Cause he's only nice, when there's somebody there
I'm gonna kill my boyfriendKill, kill, kill, I'm gonna, kill, kill, kill
So we can run away just like we said
Kill, kill, kill, I'm gonna, kill, kill, kill
So we can be together like we plannedYou're the one I want, everything I'm dreaming of
Don't make me break his heart in a million pieces, no
But every time I'm with him, I imagine that we're kissing
And I'm wishing he was you all along
And boy I'm so committed, I'm so deep, there's no more diggingThere's only one thing I can do to solve this
mess, come onI'm rolling the dice, got the wind in my hair
I'm gonna kill my boyfriend, yeah
Cause he's only nice, when there's somebody there
I'm gonna kill my boyfriendKill, kill, kill, I'm gonna, kill, kill, kill
So we can run away just like we said
Kill, kill, kill, I'm gonna, kill, kill, kill
So we can be together like we plannedI gotta kill my boyfriend yeah...And I'll do the time, you're my sweetest
crime
You know that I'll wait for you, baby
And we'll be apart, but you'll have my heart
I'm saving it all for you, baby
And I'll do the time, you're my sweetest crime
You know that I'll wait for you, baby

And we'll be apart, but you'll have my heart
I'm saving it all for you, baby Kill, kill, kill, I'm gonna, kill, kill, kill
So we can run away just like we said
Kill, kill, kill, I'm gonna, kill, kill, kill
So we can be together like we planned Mmmm I gotta, ooh don't wanna, mmm I gotta kill my boyfriend
