Don't Forget

A Bad Think

Performed by: don ho (and hoku ho, uncredited)
Composed by: wayne reis
D: when you go away I'll be lonely
'cause I've lived each day for you only
Don't forget
Remember our promise
Don't forget
Remember my love
H: I'll wait across the sea
In hopes someday that we will again be one
D: after you have gone
H: I'll never say goodbye
My love will never die
Oh no
H: in the crowning air of that morning
I'll be waiting there at the dawning
Don't forget

Remember our promise
Don't forget
Remember my love
D: if one and one are two
I know I'll be with you
Till eternity
Darling can't you see
H: until we meet again
My vow will never end
I'll see you there in paradise
H: if one and one are two
I know I'll be with you
Through eternity
D: darling can't you see
H&d: until we meet again
My vow will never end
H: I'll see you there in paradise
D: paradise
