

Just Like a Rockstar

The Fresh Beat Band

[Chorus] Play it loud
just like a rockstar
shout it out
just like a rockstar
c'mon everybody let me hear you say
You feel just like a rockstar hey hey hey

You know the fun never ends
ooh ooh ooh ooh yeah
when you and all of your friends
ooh ooh ooh ooh yeah
are rocking out in an awesome band
and everybody's jammin'
so give us a hand

just put your rockstar jacket on
everybody play along
Let's kick it off
let's turn up the beat
let's get the whole crowd up it's feet
let's go
[repeat chorus]

And now we're having a ball
ooh ooh, ooh ooh yeah
and the best part of all
ooh ohh, ooh ooh yeah
is pitching in and rocking it out
cause that's what being friends is all about
just put your rockstar jacket on
everybody play along
Lets help each other
lets give it a spin
cause if the music's bumping then everyone wins
[repeat chorus]

just like a rockstar hey hey hey
