

# Lockdown

## Madball

Don't ask me nomore questions  
Just get out of my face  
I told you I know nothing  
I'm leaving this fucked up place  
You're trying to take my freedom for  
Something that I haven't done  
I'm not a fucking rat  
So just go fuck yourselfJustice, justice  
That word don't mean nothing to you  
Fuck you, fuck you  
Fuck you and your system too  
You've ruined my life  
There's no turning back nowIf I don't rat I'll never get out  
I know nothing, that's not  
What I'm about  
You locked me up an innocent man  
Because I got some pride  
I got some prideCan't you see what you're  
Doin' to me  
Locked me down when I should be free  
I've done no wrong  
I'm an innocent man  
You don't give a fuck  
You'll never understand
