

Radar Love

Golden Earring

I've been drivin' all night, my hand's wet on the wheel
There's a voice in my head, that drives my heel
It's my baby callin', says, "I need you here"
Ans it's half past four, and I'm shifting gear
When she's lonely and the longing gets too much
She sends a cable comin' in from above
Don't need no phone at all
We've got a thing that's called radar love
We've got a wave in the air, radar love
The radio's playing some forgotten song
Brenda Lee's coming on strong
The road's got me hypnotized
And I'm speeding into a new sunrise
When I get lonely, and I'm sure I've had enough
She sends her comfort, comin' in from above
Don't need no letter at all
We've got a thing that's called radar love
We've got a line in the sky, radar love
No more speed, I'm almost there
Gotta keep cool, now gotta take care
Last car to pass, here I go
And the line of cars drove down real slow
And the radio played that forgotten song
Brenda Lee's coming on strong
And the newsman sang his same song
One more radar lover gone
When I get lonely, and I'm sure I've had enough
She sends her comfort, comin' in from above
We don't need no letter at all
We've got a thing that's called radar love
We've got a line in the sky
We've got a thing that's called radar love
We've got a thing that's called radar love
