

Do Anything You Wanna Do

Eddie & The Hot Rods

Gonna break out of this city
Leave the people here behind
Searching for adventure
Is the type of life to find
Tired of doing day jobs
With no thanks for what I do
I'm sure I must be someone
Now I'm gonna find out who

Why don't you ask them what they expect from you?
Why don't you tell them what you are gonna do?
You'll get so lonely
Maybe it's better that way
It ain't you only
You got something to say

Do anything you wanna do
Do anything you wanna do

Don't need no politician tell me things I shouldn't be
Neither no optician tell me what I ought to see
No one tells you nothing
Even when you know they know
But they tell you what you should do
They don't like to see you grow

Why don't you ask them what they expect from you?
Why don't you tell them what you are gonna do?
You'll get so lonely
Maybe it's better that way
It ain't you only
You got something to say

Do anything you wanna do
Do anything you wanna do

Gonna break out of this city
Leave the people here behind
Searching for adventure
Is the type of life to find

Tired of doing day jobs
With no thanks for what I do
I'm sure I must be someone
Now I'm gonna find out who

Why don't you ask them what they expect from you?
Why don't you tell them what you are gonna do?
You'll get so lonely
Maybe it's better that way
It ain't you only
You got something to say

Do anything you wanna do
Do anything you wanna do
