Untitled (Red Dot)

Pearl Jam

Got a car...
Got some gas...
Oh get me out of here,
Get out of here fast.
Everyone's confused,
I see 'em from my room.
I wanna go,
But I don't want to go alone.
I hope you get this message
When you're not home
I could be there in 28 minutes or so.
You don't have to take no offense.
We'll make it up as we go.
If I go,
I don't want to go...
Alone.
With you...
I could never...
Feel alone
