I'm In Love (Coucheron Remix)

Noonie Bao

[Verse 1]
Empty town
Walking down the streets at night
Wish you'd come around
Summer nights
But in my corner in my bed
There's a need of light[Pre-chorus]
I know i'm sad sometimes
I stay up late
Waste my time on stupid things
But I will make me change
If you wanna see me
I'm yours
Never needy let it show
Cause I need to know[Chorus]
Give me your devotion
Cause my heart is set in motion
I'm in love
Tell me all your secrets
If you want to i can keep them
I'm in love[Verse 2]
I close my eyes
And pretend to kiss your lips
Under neon signs
Let's leave tonight
We can sail the seven seas
Let your heart decide[Pre-chorus]
I know i'm sad sometimes
I stay up late
Waste my time on stupid things
But I will make me change
If you wanna see me
I'm yours
Never needy let it show
Cause I need to know[Chorus]
Give me your devotion
Cause my heart is set in motion
I'm in love
Tell me all your secrets

If you want to I can keep them
I'm in love[Bridge]
Know you had your doubts about me
Sometimes so do I but trust me
aah aahKnow you had your doubts about me
I'll deliver if you let me show you
I'm in love[Chorus]
Give me your devotion
Cause my heart is set in motion
I'm in love
Tell me all your secrets
If you want to I can keep them
I'm in love
I don't even care bout money making
Or the good life
I'm in love
Give me your devotion
Cause my heart is set in motion
I'm in love
