On Holy Ground

Crowbar

They're calling me
Hoping to end my sorrow
Eternal glow
Crawling back once moreAnd the world you thought was yours
Is another place
And the man you thought you knew
Has another faceThe answer lies
So far away
Just look behind
And all is clear
And the world you thought was yours
Is another place
And the man you thought you knew
Has another faceBow to the altar
On holy ground
And the world you thought was yours
Is another place
And the man you thought you knew
Has another faceBow to the altar
