Kelly Osbourne

I feel unhappy
I am so sad
I lost the best friend
That I've ever had
She is my baby
I love her so
But it's too late now
I've let her go
We're going through changes
(Ohh, we're going through changes)
We're going through changes
(Ahh, we're going through changes)
We've shared the years
We've shared each day
I love you daddy
But I found my way
You know the world
Is an evil place
My baby is grown now
She's found her way
(Ohh, ahh, we're going through changes)

We're going through changes
(Ohh, we're going through changes)
We're going through changes
Ohh, we're going through changes
Ahh, we're going through changes
It took so long
To realize
I can still hear
His last goodbyes
Now all my days
Are filled in fears
Wish I could go back
And change the years
We're going through changes
We're going through changes
(Changes, we're going through changes)
We're going through changes
