High School

Superchic[k]

Guy:Dude did you just hear Superchick is playing the promCause Highschool could be a mini me of the rest of society
There always prom queen, always be always be sororities
And sadly some will be enternaly keepin score of popularity
Just cause they all do dosnt mean we have to act like we're in highschool
Doesnt mean we have to act like we're in highschoolHighschool is like a big competition beauty contest prom court is the mission
there can only be one queen one king everyone voting everyone competing
BUt these are the rules of ways highschool
if some puts you down thats so highschool
someone talks behind your back thats so highschool
and if you have to get them back thats also highschool
I know I'll be graduating earlyCause Highschool could be a mini me of the rest of society
There always prom queen, always be always be sororities
And sadly some will be enternaly keepin score of popularity
Just cause they all do dosnt mean we have to act like we're in highschool
Doesnt mean we have to act like we're in highschoolHighschool is like this state of the nation
Some poeple never change after graduatuation
Believing an light shine makes theirs lesser
they got to prove to everyone that theirs is better
These are the rules of ways of highschool
If someone puts you down thats so highschool
believing their to good for you thats so highschool
and you believe it too thats also highschool
I know I'll be graduating earlyCause Highschool could be a mini me of the rest of society
There always prom queen, always be always be sororities
And sadly some will be enternaly keepin score of popularity
Just cause they all do dosnt mean we have to act like we're in highschool
Doesnt mean we ha
