100 Years

Five for Fighting

I'm fifteen for a moment Caught in between ten and twenty And I'm just dreaming Counting the ways to where you are I'm twenty two for a moment She feels better than ever And we're on fire Making our way back from Mars Fifteen there's still time for you Time to buy and time to lose Fifteen, there's never a wish better than this When you only got hundred years to live I'm thirty three for a moment Still the man, but you see I'm of age A kid on the way A family on my mind I'm forty five for a moment The sea is high And I'm heading into a crisis Chasing the years of my life Fifteen there's still time for you Time to buy, time to lose yourself Within a morning star Fifteen I'm all right with you Fifteen, there's never a wish better than this When you only got hundred years to live Half time goes by Suddenly you're wise Another blink of an eye Sixty seven is gone The sun is getting high We're moving on I'm ninety nine for a moment Dying for just another moment And I'm just dreaming Counting the ways to where you are Fifteen there's still time for you Twenty two I feel her too Thirty three you're on your way

Every day's a new day
Fifteen there's still time for you
Time to buy and time to choose
Hey fifteen, there's never a wish better than this
When you only got hundred years to live
