The Scientist

[Coldplay](#)

Come up to meet you, tell you I'm sorry
You don't know how lovely you are
I had to find you, tell you I need you
Tell you I set you apartTell me your secrets and ask me your questions
Oh, let's go back to the start
Running in circles, coming up tails
Heads on a science apartNobody said it was easy
It's such a shame for us to part
Nobody said it was easy
No one ever said it would be this hard
Oh, take me back to the startI was just guessing at numbers and figures
Pulling the puzzles apart
Questions of science, science and progress
Don't speak as loud as my heartTell me you love me, come back and haunt me
Oh when I rush to the start
Running in circles, chasing in tails
Coming back as we areNobody said it was easy
Oh, it's such a shame for us to part
Nobody said it was easy
No one ever said it would be so hard
I'm going back to the startOh ooh, ooh ooh ooh ooh
Ah ooh, ooh ooh ooh ooh
Oh ooh, ooh ooh ooh ooh
Oh ooh, ooh ooh ooh ooh
