Marker In The Sand

Pearl Jam

There is a Marker,
no one sees it cause of sand
that has covered over
all the messages it kept
from misunderstanding,
what Original Truth was
And now expanding
in a faith, but not in love...
What went wrong?
Walking tightrope high
over moral ground.
Seeing visions of
falling up somehow.
Oh do come down
with the living, let
what is living love.
So unforgiving, yet
needing forgiveness first...
God, what do you say?
Those undecided
needn't have faith to be free.
And those misguided,
there was a plan for them to be...
Now you got both sides
claiming 'killing in god's name'.
But god is nowhere
to be found, conveniently...
What goes on?
Walking tightrope high
over moral ground.
Walk the bridges be-
-fore you burn them down!

Do come round
with the living, let
what is living love.
Unforgiving, yet
needing forgiveness first...
God, what do you say?

God, what do you say?
I feel a sickness...
A sickness coming over me
Like watching freedom
being sucked straight out to sea
And the solution?
Well, from me far would it be
But the delusion
is feeling dangerous to me
What goes wrong?
Walking tightrope high
over moral ground.
Seeing visions of
falling up somehow.
Oh, do come down
with the living, let
what is living love,
unforgiving...yet
needing forgiveness first?
Oh, what do you say?
God, what do you say?
What do you say?
Calling out, calling out
Calling out, calling out
