

# Michael Jordan

## Five for Fighting

My shirt, my hat, my books  
A trip to the zoo  
My couch, remote, a large coke yea  
I'd get on my knees, my God,  
If I could I would give anything  
I would give anything  
I would give anything  
I would give anything  
I would give to be you My job, my car, my cash  
My house on the hill  
My piano, I'd burn to ashes (yea)  
I'd get on my knees, my God,  
If I could I would give anything  
I would give anything  
I would give anything  
I would give anything  
I would give to be you My voice, my worm, my wife  
A first born or two  
I'd give the knife, my Mike if just,  
Cut me at the knees  
My God (My Jordan) I would give anything  
I would give anything  
I would give anything  
I would give anything  
I would give anything  
I would give anything  
I would give anything  
I would give anything  
I would give to be you Whoo hoo  
Ah, ah, ah, ah, ah, ah
