

# My Happiness

Connie Francis

Evening shadows make me blue  
When each weary day is through  
How I long to be with you, my happiness Every day I reminisce  
Dreaming of your tender kiss  
Always thinking how I miss my happiness A million years it seems  
Have gone by since we shared our dreams  
But I'll hold you again  
There'll be no blue memories then Whether skies are gray or blue  
Any place on earth will do  
Just as long as I'm with you, my happiness Whether skies are gray or blue  
Any place on earth will do  
Just as long as I'm with you, my happiness
