

# O Mexico

## Dosh

I'm catchin' this south bound train  
I've had enough of the pouring rain  
Chilled to the bone, I have to goLove was never a friend of mine  
The only friend that I have is time  
It's down the track, ain't lookin' backMexico, O Mexico  
I long to see your border town  
Mexico, O Mexico  
Adios mi corazonThe cars are clickin' the night along  
But all I hear is a heartbreak song  
Haunting me, relentlesslyCome the morning and I will stand  
On the banks of the Rio Grande  
A brand new day, wash these tears awayMexico, O Mexico  
I long to see your border town  
Mexico, O Mexico  
Adios mi corazonThere's nothin' like the feel  
Of the steel against the steel  
And you can't forget the crying of the rail  
There's nothin' like the sight  
Of a moonlite desert night  
To heal a broken heart that was so frailMexico, O Mexico  
I long to see your border town  
Mexico, O Mexico  
Adios mi corazon
