

# Take Me Away

## 28 Days

Take me back to yesterday  
'Cause I'm not alright and it's not okay, no  
I know but I won't admit it  
Someone take me away  
I'm not okay, so take me away  
See I just can't, can't ever endeavor  
Keep fighting the battle of whatever  
So take me away  
You won't take me away  
You won't take me away  
No, no, it won't be okay  
No, not for me anyway  
You won't take me away  
You won't take me away  
Take me back to yesterday  
'Cause I'm not alright, it's not okay  
I don't wanna talk about it  
So shut up, I can do without it  
Save me today  
You won't save me today  
You won't take me away  
No, no, it won't be okay  
  
No, not for me anyway  
You won't take me away  
You won't take me away  
Take me away  
Take me back to yesterday  
(Take me back to yesterday)  
Take me back to yesterday  
(Take me back to yesterday)  
'Cause I'm not alright  
I'm not okay, I'm not alright  
I'm not okay, I'm not okay  
I'm not alright, I'm not okay  
I'm not alright and I'm not okay today  
You won't take me  
Take me, take me away, away  
You won't save me

Save me, save me today  
'Cause I'm not alright  
And I'm not okay  
And it's not alright  
I'm not alright  
So take me away
