

# Ambition

## Doves

So ambition cut you down  
Ain't a love as perfect  
Everybody knows it  
Something drove you downSomething as good  
Something new  
Somebody good  
Our ambition cuts us downThere's not a love that's perfect  
But I, I live in hopeSomebody good  
Somebody new  
Something as good  
Something that's mineAin't a love that's perfect  
Everybody knows it  
Ambition cuts us down
