

# Used to Be

Tiza Brown

Used To Be (Brown-Bovet)

He used to be there when I needed him  
Used to be sweet enough to eat  
Take me to dine and bring me roses  
Now Iâ€™m hanging on to used to beâ€™s  
This ainâ€™t living

Living on duty free gonna be 100%  
Surprisingly full of used to beâ€™s  
This ainâ€™t living

He used to call me from the job  
Used to take long walks in the park  
He used wanna spend his time with me  
Now he canâ€™t, he canâ€™t wait to be free  
This ainâ€™t living

Living on duty free gonna be 100%  
Surprisingly full of used to beâ€™s  
This ainâ€™t living

Solo - chorus

He used to be faithful as a rule  
Used to tell me I was the only one  
Now heâ€™s walking â€™round so cool  
Loving one it is no longer fun  
This ainâ€™t living

Living on duty free gonna be 100%  
Surprisingly full of used to beâ€™s  
This ainâ€™t living

He was my love, he was my life  
But now heâ€™s gone  
And nothing no, oh nothing it ainâ€™t right

Living on duty free gonna be 100%  
Surprisingly full of used to beâ€™s

This ain't living, is this living  
Living on used to Be  
This ain't living,  
Living on used to be
