

Through With Love

Destiny's Child

I gave my heart to you
Gave up my friends
Like you said I should do
Put aside my smile for you
Grow out of my dreams
If you said you didn't approve I gave my mind
Compromised my life
Just to see I'd find
You were trying to hold me back
Slowly throwing me off of my track Disappointed again I'm through with Love
I'm through with it
Through with it (love)
I'm through with it
Through with it (love)
I'm through with it
Through with it (love)
I'm finally giving it up I've given so much in the past (past)
For a love I never had (had) I'm through with it
I'm I'm through with it (love)
I'm through with it
Through with it (love)
I'm finally givin' it up Oh there you go
Comparing me
To ever lil' model
On the T-V screen Oh there you go
Complaining to me
'Cause I want to spend time
With my family My esteem has gone down
You never want to take me out
You make me feel lost, and alone
I don't know, where to go
I'm through with it! I'm through with love
I'm through with it
Through with it (love)
I'm through with it
Through with it (love)
I'm through with it
Through with it (love)
I'm finally giving it up I've gave it so much in the past (past)

For a love I never had (had)I'm through with it
I'm I'm through with it (love)
I'm through with it
Through with it (love)
I'm finally givin' it upI shared all my secrets with you
Even when it hurt to tell the truth
Paralyzed my growth for you
I gave you control
Felt so helpless without youCouldn't be a friend
Tell if you weren't happy
'Cause with you I see
There's a little company
And I don't know
If this is love
'Cause if it's over
I don't want it anymore
I'm through with itI'm through with Love
I'm through with it (So tired of crying)
Through with it (love)
I'm through with it (So tired of lying)
Through with it (love)
I'm through with it
Through with it (love)
I'm finally giving it upI've gave it so much in the past (past)
For a love I never had (had)I'm through with it
I'm I'm through with it (love)
I'm through with it
Through with it (love)
I'm finally givin' it upWhy do I
Feel so empty?
I'm crying out
For some stability
Destroy my many
Insecurities
I'm breaking down
Somebody pray for meHe doesn't like no other
Not an ordinary love
Restore my joy
Restore my courage
Lord, I don't need your loveI found a new love
I found a new, found a new love
I finally found a new guy
I found a new love
I found a new, found a new love
I found a new, found a new love

I found a new, found a new love
I finally found a new guy I've given so much in the past
For a love I've always had I found a new love
I, I found a new love
I found a new, found a new love
I've finally found a new guy
