Bring You Down (feat. George Maple)

Flume

Hush now, you're standing on a land mine
Tread lightly, get ready to explodeHush now, those eyes cannot harm you
Keep your wits about, don't let it bring you downDon't let it bring you down
Don't let it bring you down
Let it bring you down
Don't let it bring you down
Don't let it bring you down
Don't let it bring you down, oh, oh
How can we disguise it's all for youI've seen it all before
Your eyes are wet
Your head is on the floor
And it's only a matter of time
Before we hit the ground running
Running, running, running, runningDon't let it bring you down
Don't let it bring you down
Let it bring you down
Don't let it bring you down
Don't let it bring you down
Don't let it bring you down, oh, oh
How can we disguise it's all for youHush now, you're standing on a land mine
Tread lightly, get ready to explodeHush now, your eyes cannot harm you
Keep your wits about, don't let it bring you downAnd never let go, oh
And I'm afraid of being too lone
And I'm afraid of being too lone
In this timeDon't let it bring you down
Don't let it bring you down
Let it bring you down
Don't let it bring you down
Don't let it bring you down
Don't let it bring you down, oh, oh
How can we disguise it's all for you
