The Only Thing That Matters

Luminate

I was waiting for an answer, I was looking for a way
Out of this disaster and out of my mistakes
Oh, I listen to the cynic and I believed it to be true
I never thought the distance, oh no, would pull me back to YouWould You take my heart, set it on fire
Fan the flame, let it burn higher
Melt my shame, the devil is a liar
The only thing that matters is Your love, oh
My redemption is Your love
I'm ready for the healing, for my life to begin
There's no use in waiting, You traded love for my sin
Oh, I'm ready to embrace it, embrace the gift of grace
I'm leaving this prison and now I feel the sun on my face, oh
