Gonna Be Alright

Mali Music

What's it all about?
Why is blood flowing through this body?
Why is air in my lung?
Where we going now?
Why did I get to place my feet here?
Thy kingdom come
Thy kingdom comeOh, I got a song to sing
And it's a song about hope for you
It's a song about faith
I see all that you are going through
And it's gonna to be alright
(It's gonna to be alright)
It's gonna to be alright
(It's gonna to be alright)
Everything is gonna to be alright
(It's gonna to be alright)
It's gonna to be alright
(It's gonna to be alright)
So let me introduce myself
I go by the name Mali
And it's nice to meet you
And I'm a chill kind of guy
Don't wanna hurt nobody
And love is the lens that I meet you thoughOh, I got a song to sing
And it's a song about hope for you
It's a song about faith
I see all that you are going through
And it's gonna to be alright
(It's gonna to be alright)
It's gonna to be alright
(It's gonna to be alright)
Everything is gonna to be alright
(It's gonna to be alright)
It's gonna to be alright
(It's going to be alright)
Oh, I see you laughing
Yeah, I see you smiling
Oh, I see you dancing
I'm inspired

All He wants for us is
All I want for you
So let's go higher
(let's go higher)Oh, I got a song to sing
And it's a song about hope for you
It's a song about faith
I see all that you are going through
And it's gonna to be alright
(It's gonna to be alright)
It's gonna to be alright
(It's gonna to be alright)
Everything is gonna to be alright
(It's gonna to be alright)
It's gonna to be alright
(It's gonna to be alright)
