Still The One

One Direction

[Liam]Hello, hello, I know it?s been awhile but baby
I got something that I really wanna let you know, yeah
Something that I wanna let you know oh oh
[Louis]You say you say to everybody that you hate me
Couldn't blame you cause I know I left you all alone, yeah
I know that I left you all alone oh oh
[Harry]And yeah, now I?m back at your door
You're lookin? at me unsure
I should?ve seen it before
You?re all I think about, baby
[All]I was so stupid for letting you go
But I know you?re still the one
You might have moved on
But girl you should know
That I know you?re still the one
I know it?s sayin? too much
But I will never give up
I was so stupid for letting you go
But I know you?re still the one
[Harry]I know you?re still the one
[Niall]Hello, hello, I?m really hoping you?ll forgive me
I keep talking, begging, tell me what I wanna hear, yeah
Girl just tell me what I wanna hear
[Harry]
I tried, I'll try to start again and find somebody
But I remember all the times and all the words we said, yeah
I can't get it out of my head yeah
[Zayn]Now I?m back at your door
You're lookin? at me unsure
I should?ve seen it before
You?re all I think about, baby
[All]I was so stupid for letting you go
But I know you?re still the one
You might have moved on
But girl you should know
That I know you?re still the one
I know it?s sayin? too much
But I will never give up
I was so stupid for letting you go

But I know you?re still the one
[All]Hey you, you?re still the one
Hey you, you?re still the one
Hey you, you?re still the one
Hey you,
[Harry]you?re still the one
[All]I know it?s sayin? too much
But I will never give up
I was so stupid for letting you go
But I know you?re still the one
I know you?re still the one
