T-Bone Shuffle

The Sir Douglas Quintet

Let your hair down baby, let's have a natural ball
Let your hair down baby, let's have a natural ball
If you don't let your hair down, woman, we can have no fun at allOh, you can't take it wit' you, that's one thing for sure
Oh, you can't take it wit' you, that's one thing for sure
There ain't nothin' in the world, that a T-Bone shuffle won't cureCome here baby, sit down on your daddy's knee
Come here baby, sit down on your daddy's knee
I've got somethin' pretty baby, somethin' is ailin' me
