Lil Boosie

Uhh, ohh, loose as a goose
I be loose as a goose, loose as a goose
I be loose as a goose, loose as a goose
I be loose as a goose, loose as a gooseI be loose as a goose, don't get me started
2 shots of Patron and I'm on in da party
I be loose as a goose, don't get me started
Wit a click of thug niggas when I step off in da partyLoose as a goose, don't get me started
Full of dat liquor when I step up in da party
I be loose as a goose, don't get me started
Gone of dem jiggaz when I step up in da partyKnock, knock, knock, knock, don't get me started
