

# Monterey

## Shameboy

The people came and listened  
Some of them came and played  
    Others gave flowers away  
Yes, they didDown in Monterey  
Down in MontereyYoung Gods smiled upon the crowd  
    Their music being born of love  
    Children danced night and day  
Religion was being bornDown in MontereyThe birds and the airplane did fly  
    Oh, Ravi Shankar's music made me cry  
    The Who exploded into fire and light  
Hugh Masekela's music was black as nightThe Grateful Dead  
    Blew everybody's mind  
    Jimi Hendrix, baby  
Believe me, set the world on fire, yeahHis Majesty, Prince Jones smiled  
    As he moved among the crowd  
    Ten thousand electric guitars  
Were groovin' real loud, yeahYou wanna find the truth in life  
    Don't pass music by  
    And you know, I would not lie  
No, I would not lie, no, I would not lieDown in Monterey  
    AlrightThree days of understanding  
    Of moving with one another  
    Even the cops grooved with us  
Do you believe me, yeah?Down in Monterey  
    Down in Monterey, yeah  
    Down in Monterey  
Down in Monterey, yeahI think that maybe I'm dreamin'Monterey  
    Monterey, yeah  
    Down in Monterey  
Did you hear what I said?Down in Monterey  
    Down in Monterey  
I said, Monterey, Monterey, Monterey  
    Yeah, yeah
