Filthy Heart

Adelitas Way

I heard you got a filthy heart,
Heartbreaking as a perfect dart,
I though she was my sun,
Wish I knew what I said wasn't getting through,
Wish I knew it was dead when I looked at you,
Neither did I know what was coming,
Neither did I know I was free,You got a filthy heart,
You got a filthy heart,
You like to love me through hatred,
Make me feel like shit,
I always wanted to say it,
Your such a bitch,
You got a filthy heart,
You got a filthy heart,
You got a filthy heart, heart,Just another one that felt so hard,
Just another one that's come and gone,
I though she was the one,
Wish I knew what I said wasn't gettin' through,
Wish I knew it was dead when I looked at you,
Neither did I know what was coming,
Neither did I know I was free,You got a filthy heart,
You got a filthy heart,
You like to love me through hatred,
Make me feel like shit,
I always wanted to say it,
Your such a bitch,
You got a filthy heart,
You got a filthy heart,
You got a filthy heart, heart,Take your pretty wreckless life,
Take these words and come back right,
I see through you,
You got a filthy heart,
You got a filthy heart,You like to love me through hatred,
Make me feel like shit,
I always wanted to say it,
Your such a bitch,
You got a filthy heart,
You got a filthy heart,
You got a filthy heart, heart.
