Hollow Little Reign

Supergrass

I'm tired of thinking things over
Conversations running round in my head
Good times last so much longer
And some love going straight to my head
Some day when I careCool skies, drink in the sunshine
Feel the wind blowing through my hair
It's our time, talking it over
Take you home 'for I'm out of my bed
Some day when I careSometimes, clouds will come over
There'll be spots, some fun in your eyes
One day when we're feeling a lot better
Take a train to cooler climes
Someday when I care
