

Our Time

Group 1 Crew

Before I even start the day
Before distractions even come my way
Before it ever gets crazy
I gotta have our time

I wanna be close to You
So You can bring me back to the truth
Cause that's the only way I'll make it through
I gotta have our time

I love the moments when You freeze my clock
And in the middle of the day
Through a walk in the park
You let me know You can't be apart from me
Cause You hold me deep in Your heart
(And we sing)

(Our time)
To get away
(Your time)
To be alone with me
(My time)
Where I can hear You say
Everything I need to get me through the day
(Our time)
To bring it back to one
(Your time)
To show me Your love
(My time)
To learn to trust
Cause I know that I need it so much
Our time

Oh oh
Bring it back to the

In the middle of my doubt and fear
In the middle of my pain and tears
I know you want to meet me hear
So we can have our time

I can share anything with you
And I'll always be the same to you
Everyday you wanna make me new
We gotta have our time

And when I feel the tick tock watching me
I just gotta make a pit stop constantly
Cause you know it's what You and want and what I need
Just to bring me back to a place
Where I can see this is (this is)

(Chorus)

Lord I believe
You're all I need
I gotta have you everyday
And I won't take a step t'ill you tell me what's next
Show me the way
(oooh ooh)
