

My Need

Janet Jackson

Chorus:

My love, my need
Tonight, I feel so tight
My love, my need
Tonight, just how I like

Verse 1:

I know, you know
What exactly's on my mind
I can't help myself
Part of how I feel tonight
Won't make excuses
I just want you inside baby
We don't need to
Talk about no promises

Chorus:

My love, my need
Tonight, I feel so tight
My love, my need
Tonight, just how I like

Verse 2:

Let's just pretend
That we have no more tomorrow
Can't we make love
Like it's our last time baby
Let's not get too
Soft and gentle with it 'cause I
Am not feelin'
In no mood to play about

Chorus:

My love, my need
Tonight, I feel so tight
My love, my need
Tonight, just how I like

Bridge:

I need you like the flowers need the rain
I need you like the blues needs the pain
I need you like the stars need the night
I need you like the waves need the sea

Chorus:

My love, my need
Tonight, I feel so tight
My love, my need
Tonight, just how I like

Bridge:

I need you like the flowers need the rain
I need you like the blues needs the pain
I need you like the stars need the night
I need you like the waves need the sea
Tonight, tonight, tonight, tonight

Bridge:

I need you like the flowers need the rain
I need you like the blues needs the pain
I need you like the stars need the night
I need you like the waves need the sea
