

Beautiful Liar

Keith Bryant

I ain't half the man she makes me out to be
the way I see it, I'm not even half the man she needs
But to hear her tell it not only am I the rising and setting sun
If there's anything that I can't do, then it probably can't be done
She's a beautiful liar
With the truest heart that I have ever known
She's a beautiful liar
and I do my best to never prove her wrong
everyone that knows her loves her honesty
but she's been known to stretch the truth when it comes to me
'cause I don't really slay the dragon every single day
but she always seems to find the words to make it sound that way
She's a beautiful liar
With the truest heart that I have ever known
She's a beautiful liar
and I do my best to never prove her wrong
is there anything more beautiful than a woman who's so in love
that she'll tell her man he's everything he always wished he was
She's a beautiful liar
With the truest heart that I have ever known
She's a beautiful liar
and I do my best to never prove her wrong
lord help me do my best to never prove her wrong
she's a beautiful liar
she's a beautiful liar
