

Beautiful Calm Driving

[Sia](#)

Beautiful calm driving
Deep sea pearl diving
Constantly unwinding
Beautiful calm driving You're turned into another
You're turned into a nutter
You're turned into another man You're a stranger to me
You're a danger to me
You're a stranger to me
You're a danger to me Beautiful calm driving
Emotional hiding
Effortlessly shining
Beautiful calm driving You're turned into another
You're turned into a nutter
You're turned into another man You're a stranger to me
You're a danger to me
You're a stranger to me
You're a danger to me You're a stranger to me
You're a danger to me
You're a stranger to me
You're a danger to me Beautiful calm driving
Beautiful calm driving
Beautiful calm driving
Beautiful calm driving Beautiful calm driving
Beautiful calm driving
Beautiful calm driving
Beautiful calm driving
