Hey Girl

O.A.R.

I took this girl out last night and we left around 12,
We walked along lonely streets and got to know ourselves,
I like to read - she likes to write, she likes to sleep -
And I like to stay up all night,
My friends say I'm crazy and I agree,
But thats okay cause that the way she likes to beSay Hey Girl, come with me and let yourself go,
Say Hey Girl come with me
And let yourself go, go, go, let yourself goWell we went out late that night and we danced through thenight
I was holding on to her and she was gripping me tight,
But, I didn't care, and she didnt mind
I was unaware that she liked to act so kind,
My friends say shes crazy and I agree,
But thats okay cause thats the way I like to beSay Hey Girl, come with me and let yourself go,
Say Hey Girl come with me
And let yourself go, go, go, say now let yourself goLater on that night I took her home,
I asked if she felt alright being alone,
So I went inside, she didnt mind,
Took two to decide I wasnt going home tonight
I see we're both crazy, thats alright with me,
The night was kind of hazy thats the way its gonna beSay Hey Girl, come with me and let yourself go,
Hey Girl come with me
And let yourself go, go, go, say now let yourself
Go, go, go, say now let yourself go, go, go,
Let yourself go
