

# Good Day

## Nappy Roots

You know today, I just woke up and I said  
You know, instead of waitin' on a good day  
Waitin' around through up's and down's  
Waitin' on something to happen  
I just said  
We're gonna have a good day  
And all my homies gonna ride today  
And all these mommies look fly today  
And all we wanna do is get by today  
Hey, we're gonna have a good day  
And ain't nobody gotta cry today  
Cause ain't nobody gonna die today  
Save that trouble for another day  
Hey, we're gonna have a good day  
Caroline fresh, new cologne on  
Feelin' so good, changed the colors to my phone  
Orange Kool-aide go good with Patron  
Ah naw, hell naw boy  
Steal my ring tones, free car wash  
Had to clean up the Dodge  
Give back when I can just playin' my part  
Church folks had a fish fry, mustard, hot sauce  
Light bread, and french fries, love for the big guy  
Hit the park, boys showin' off their hops  
Nappy Roots on the radio, and you know it bops  
Last night I hit the pick three, bought some Air Force Ones  
4 tall tees, man I love the Begees  
We're gonna have a good day  
And all my homies gonna ride today  
And all these mommies look fly today  
And all we wanna do is get by today  
Hey, we're gonna have a good day  
And ain't nobody gotta cry today  
Cause ain't nobody gonna die today  
Save that trouble for another day  
Hey, we're gonna have a good day  
And I ain't fin to worry 'bout what nobody say  
I'm still above ground and that's the reason I pray  
Got my car cleaned up now I'm ready to play

Make a call to the sticks and say I'm headin' dat way

Heard my cousin cookin' out, I gotta get me a plate  
Got this new outfit ain't even out in the states  
So if I ain't speakin' too soon but this a hell of a day  
And this sticky got me sittin' in a hell of a place  
Got my stunna shades on and a grin on my face  
My grill looks mean but I swear I'm straight  
And the hood showin' love so I'm A-okay  
We're gonna have a good day  
And all my homies gonna ride today  
And all these mommies look fly today  
And all we wanna do is get by today  
Hey, we're gonna have a good day  
And ain't nobody gotta cry today  
Cause ain't nobody gonna die today  
Save that trouble for another day  
Hey, we're gonna have a good day  
We might as well do exactly what the children sayin'  
Take the day off, hit park and just hang  
Barbeque, roll a few and put up your dukes  
And if it's beef put the peace down, throw up your dukes  
It's time to change our ways so we can save the day  
For the children's sake and make a better place to play  
And if it's all good break out your clip and grip your wood  
And if you're ridin' dirty light your spliff and blow your sss  
But do it real big exactly like a player should  
Enjoy your 24's, do your thang and rep your hood  
The world is all yours but still we all grind  
Forever and a day, the choice you make is really all fine  
We're gonna have a good day  
And all my homies gonna ride today  
And all these mommies look fly today  
And all we wanna do is get by today  
Hey, we're gonna have a good day  
And ain't nobody gotta cry today  
Cause ain't nobody gonna die today  
Save that trouble for another day  
Hey, we're gonna have a good day
