

# Rain

## Agony in the Garden

I want go out again  
Back into the rain  
Gotta make a change  
Starting overLooked at my life  
I realized it's not over  
Found hope in myself  
Found a reason  
To be meRain is coming down  
Falling hard on me  
Nothing makes a sound  
I'm alone now  
And dawn waits for meRain is coming down  
Never makes a sound  
Though it cuts me deep  
I never bleed  
The sun shines for meIf you're like me  
Trying to make a change  
Look inside yourself  
Rain will come againWalk the shallow ground  
Wait for the sound  
The skies bring you life  
Wash away your strifeRain is coming down  
Falling hard on me  
Nothing makes a sound  
I'm alone now  
And dawn waits for meRain is coming down  
Never makes a sound  
Though it cuts me deep  
I never bleed  
The sun shines for meRain come down on me  
Fall hard on me  
Make a new way for me  
Rain oh rain  
Come down on me  
Fall hard on me  
Make a new way for me
